

SENIOR WATER RESOURCES CONTROL ENGINEER

Regional Water Quality Control Board
Central Coast Region #3
895 Aerovista Place, Suite 101
San Luis Obispo, CA 93401-5427

The Central Coast Regional Water Quality Control Board is seeking a qualified applicant to fill a Senior Water Resources Control Engineer position in the Cleanup-DOD-SLIC unit. The incumbent will be responsible for supervising geologists and engineering associates. More specific responsibilities are described below.

Duties: Under the general direction of the Assistant Executive Officer, the incumbent plans, organizes, and directs the following activities:

- Evaluate engineering, hydrologic and environmental aspects of investigations, abatement, and cleanup of releases of waste from underground storage tanks.
- Responsible for staff activities as they relate to investigation, abatement and clean up of toxic or hazardous waste sites.
- Review and edit documents for issuance or rescission of Waste Discharge Requirements and NPDES Permits required as part of a cleanup project.
- Prepare accurate and complete documentation in the form of memos, correspondence, and engineering reports; interpret and apply laws, policies, regulations, and requirements pertaining to the Board; follow approved Board office and program procedures; and, maintain cooperative relations with those contacted in the course of work.
- Represent the Regional Board at public hearings, statewide task force committees, and special interest organizations.

Minimum Qualifications: Only applicants in State service eligible for transfer may apply. Other candidates eligible for transfer or candidates on appropriate lists for Senior Engineering Geologist or Environmental Scientist will be considered and encouraged to apply.

Desirable Qualifications: Ability to work cooperatively with staff and customers in a leadership and project management position. Demonstrated commitment to professional development. Ability to schedule complex projects to meet State and Regional Board timelines.

This is a permanent, full-time position. Final filing date: September 17, 2004. Submit standard State application and resume to Brad Hagemann, Assistant Executive Officer at the above address. For more information regarding this position please contact Brad Hagemann at (805) 549-3697.
